

Red, White & Sparkling

at Meeting Rooms

Bright and beautiful!

This Christmas package will transform Perth Convention Exhibition Centre's Meeting Rooms 1 - 3 into an elegant soiree for your annual celebration.

Adding a festive feeling to the start of your event, a glimpse of the red, white and sparkling theme will be experienced in the pre-function area as guests enjoy a drink.

Guests will enter the room past the stunningly decorated Christmas trees dressed in the themes colours.

Tall sparkling red and silver centrepieces will provide a striking feature as guests enter the room, complimented by the clean white table cloths, crisp white napkins, fitted white chair covers with a rich red chair band.

A light mist through the theatrical effex lighting and music heard through the speaker system will add to the Christmas atmosphere.

Additional styling around the room of lush draping highlighted with theatrical lighting providing for a grand stage backdrop with present stacks, feature light sitting on either side of the stage will create a focal point for the room.

The room will be surrounded by sparkling twig trees adding to the elegant and festive feel.

package available from 3 december 2010.
