

Perth Convention and Exhibition Centre will provide a clean area to the organiser at the beginning of the licensed hire period and will clean public areas (aisles and amenities) throughout the operational hours of an event. The area hired is to be returned to the PCEC in its handover condition.

The following cleaning is included within your venue hire.

During Operational Hours:

- Walkways and aisles are monitored;
- Any exhibitor rubbish is removed.

The organiser is responsible for cleaning during the move-in and move-out periods of an event. The following cleaning packages can be arranged with your Event Manager.

Pre-Opening Clean Inclusions:

- All bulk rubbish, general and exhibitor rubbish is removed from aisles and walkways (no pallets or construction items, bricks or sand etc) prior to show opening;
- Bins are removed and emptied to either the designated skip or general waste compactor prior to show opening;

Move-Out Clean Inclusions:

- All rubbish deemed as rubbish by the Floor Manager is removed and bins are emptied to either the designated skip or general waste compactor;
- All areas cleaned and returned to handover condition.
