All organisers or exhibitors wishing to utilise gas cylinders or appliances must obtain written approval from PCEC management at least 20 Business Days prior to the event. Each application will be assessed with the safety of the public/attendees as its prime pre-requisite. (**PCEC Event Manual**).

Please read the following general guidelines:

- All installations must comply with all state and federal statutory regulations and current Australian Standards covering installation, dangerous goods and equipment.
- The installation and any changeovers/disconnections/reconnections of cylinders is to be carried out by a licensed gas fitter.
- Storage cylinders are not to exceed 9kg to allow them to be manually relocated.
- Exhibitors are limited to one cylinder per stand and not more than 1 cylinder may be placed within **10 metres** of another.
- Cylinders and connections are to be protected from accidental damage and impact and be stored in dry, well ventilated areas away from heat, ignition and direct sunlight and should be protected from physical damage and preferably below 45°C.
- Only authorised personnel, who are licensed under the Gas Standards Act 1972 and Gas Standards (Gas filling and Consumer Gas Installations) Regulations 1999, are to operate control devices.
- All gas cylinders are to be removed from the premises at the end of each day and to be stored in the Hazardous Goods Store, located on the loading dock. Please see Floor Manager on duty.
- All sections of the gas storage and reticulation are to be inaccessible to the public, patrons and other exhibitors at all times.
- Cylinders must be firmly secured to prevent falling or being knocked over and must be protected by a fire proof cover at all times.
- A 4kg CO₂ or 4kg Dry Chemical fire extinguisher is to be provided by the client or exhibitor for each appliance using L.P. gas.
- Cylinders will be tested, approved for use and stamped as per AG601.
- All gas appliances are to be certified for Indoor Use
- Exhibitors wishing to use gas cylinders on their stand are to request approval from the organiser as well as the venue.

Gas Safety Checklist

It is a requirement of EnergySafety, that all Exhibitors with the intent to use gas at the venue complete the checklist available at http://www.commerce.wa.gov.au/sites/default/files/atoms/files/gas_appliances_checklist_2018.pdf and return it with this form to exhibitor@pcec.com.au for approval. The venue has gas regulation restrictions, exhibitors who do not receive pre-approval will risk not being able to operate for the event.
