Taste of Western Australia

Our menus have been designed as a celebration of West Australian produce.

Our culinary team are committed to supporting our local community by sourcing the finest regional ingredients to create a unique experience for your event. We have taken the opportunity to present the best WA has to offer. The map opposite demonstrates the different regions in Western Australia our produce comes from.

Our experienced culinary team create dishes that honour the rich and vibrant produce from this beautiful part of our country, we're spoilt for choice when it comes to quality and unique ingredients to incorporate into our menus.

Creating Moments of Culinary Excellence

Food has an important role in creating exceptional experiences at your event and is often one of the most memorable components your guests will talk about, long after they've gone home. We have a range of menus that will inspire you with extraordinary food at the heart of them all.
