Event Branding and Marketing Opportunities

Thank you for choosing the Perth Convention and Exhibition Centre as the venue for your event.

As one of the most popular destinations in Western Australia, the PCEC welcomes over 800,000 visitors annually.

At PCEC, we understand the importance of branding, signage, and marketing to enhance your event experience and with that in mind, you will find a variety of options in this document that offer additional promotion and exposure before and during your event with us.

Create Exceptional Experiences: Branding and Marketing Opportunities

Bring your Vision to Life: Event Branding Opportunities

Harness the potential of signage within your event space to not only create powerful brand recognition but also deliver exceptional value to your sponsors.

With a diverse range of branding opportunities tailored to meet your unique event requirements, you can customise and maximise the impact of your event's branding experience.

S1

Amplify Your Event Experience: Event Branding Opportunities

Registration Desks

Being the first port of call for your visitors, creating a customised registration, information or ticketing area immediately sets the tone of your event. Create your own moment and delight your attendees with a custom designed registration area to create a lasting impression.

Level 1 Permanent Registration Desk

Desk measures 17m long x 970mm deep x 850mm high for desk and 1.2m high for counter and can be branded with:

Corflute signage above and behind desk measuring 10m long x 815mm high in 1m or 2m segments (no thicker than 3mm to fit within tracks); and/or Decal signage attached to front of counter measuring

Dimensions vary depending on configuration requirements. Please contact Perth Expo or your PCEC Events Manager for further information.

Level 2 Permanent Registration Desk

Desk measures 19.8m long x 965mm deep x 810mm high for desk and 1.155m high for counter and can be branded with:

Corflute signage above and behind desk measuring 21.8m long x 815mm high in 1m or 2m segments (no thicker than 3mm to fit within tracks); and/or Decal signage attached to front of counter measuring

Mobile Registration Desk(s)

We are able to offer two types of mobile registration desk with branded signage.

Level 1 registrations desk counters:
51cm bottom section (wide)
31cm top section (wide)
Up to 12m in length

Level 2 registrations desk counters:
51cm bottom section (wide)
31cm top section (wide)
Up to 13m in length

Event Branding Opportunities

Entry Features into your Event Space

Creating a dynamic first impression is an important aspect of any event. Engaging your visitors with a branded entry feature, welcomes and guides them into the space.

Foyer Banners and Signage

With our open mezzanine design, high ceilings and natural light, the PCEC's foyers provide the perfect opportunity to brand your event with clear visibility throughout.

Hanging Banners

Pavilion 1

Dimensions: 3m wide x up to a maximum of 4.5m high.

Pavilions 2 to 6

Dimensions: 4m wide x up to a maximum 4.5m high.

Weight: No more than 10kg.

Quantity: 1 per pavilion.

All overhead hanging objects must be installed so there is at least 2.5m clearance from the floor to the bottom of the overhead object.

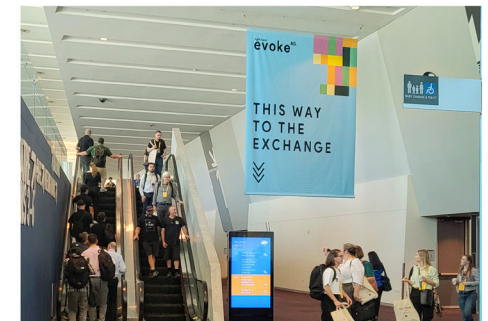

Subject to availability. Dimensions vary depending on configuration requirements. Please contact Perth Expo or your PCEC Events Manager for further information.

Aspect: 16 x 9

Please speak with your events manager for further information.

Event Branding Opportunities

S1

Lighting

One of the remarkable additions at the Perth Convention and Exhibition Centre, curated by our trusted partners, AVPartners, is the introduction of intelligent lighting. This cutting-edge feature enhances the ambiance of the Theatre Foyer and other public foyer areas and creates a true visual moment.

By collaborating with AVPartners, we can utilise these intelligent lighting systems to perfectly complement the branding of your principal sponsor or seamlessly integrate with your event's branding.

As a special offering, the captivating foyer lighting is provided as a complimentary service when you engage with AVPartners for your AV requirements.

Alternatively, if you prefer to work with an external audiovisual provider, you can sub-hire this lighting feature directly from AVPartners. This presents an excellent opportunity for you to deliver tangible benefits to your sponsors or simply, bring your vision to life.

Central Foyer

Theatre Foyer

**Subject to availability.*

Amplify Your Event's Reach: Engage with PCEC's captive audience

S2

As apart of our services, PCEC is excited to showcase your event on our social media channels. To make the most of this opportunity, we ask organisers to share engaging and creative content for online use. The more content you provide, the greater exposure we can generate for your event.

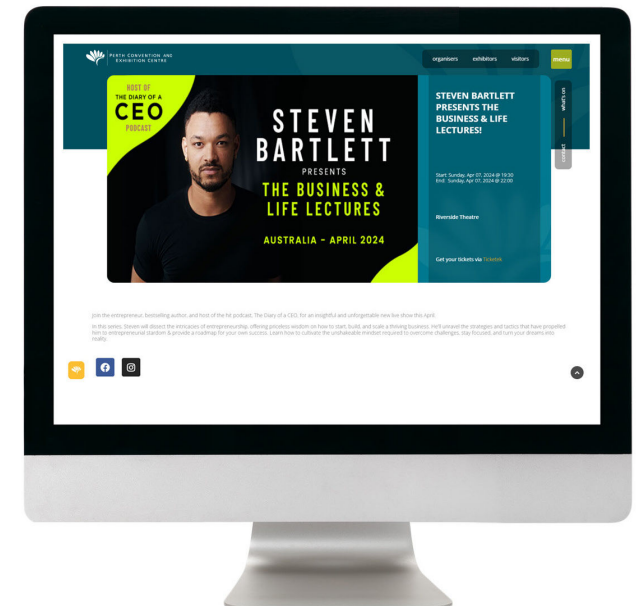

We also encourage cross-promotion through your own social media platforms, enhancing engagement and expanding your event's reach.

Website Listing – “What’s On Page”

Consider listing your event on the ‘What’s On’ section of our PCEC website. We will provide you with an information release form that needs to be completed to create the listing, including details on image format, dimensions, etc.

Electronic Direct Mail (EDM)

Your event will be featured in the monthly ‘What’s On’ electronic direct mail sent to the local PCEC database. **Additional Solus eDMS can be arrange at an additional cost.** Speak to your Sales Manager for more information.

Please provide the following images for use on PCEC website.

Guidelines and Terminology for Promoting PCEC

S3

Perth Convention and Exhibition Centre is an established brand known for creating exceptional experiences for our clients and their guests. We have developed a set of branding and language guidelines to ensure the core values of our venue are accurately reflected in all external communications.

Thank you for following these guidelines. We are in the business of creating moments for our clients and the promotion of your event is the first opportunity to demonstrate the exceptional experience that is a PCEC event.

Venue and Room Specifications

When promoting your upcoming event at PCEC, please select the relevant option when referring to the venue. This applies to any promotional material, including but not limited to print advertising, social media content, emails and newsletters.

- Perth Convention and Exhibition Centre (PCEC)
- BelleVue Ballroom at Perth Convention and Exhibition Centre
- BelleVue Ballroom, Perth Convention and Exhibition Centre
- BelleVue Ballroom, PCEC

- Riverside Theatre at Perth Convention and Exhibition Centre
- Riverside Theatre, Perth Convention and Exhibition Centre
- Riverside Theatre, PCEC
- Riverview Rooms, PCEC

All clients will be provided with a digital copy of PCEC's symbol. This symbol must be used without any modifications, including being traced, redrawn or retyped. To preserve legibility, the symbol must not be reproduced any smaller than 10mm, as measured from the top to the bottom of the symbol.

If required, PCEC will provide you with a copy of our logo. PCEC requires all clients to submit their promotional material with PCEC's logo or symbol for approval before release.

Terms and Conditions

Signage within public foyers will be subject to sharing screen space and/or time allocation with any third-party events. The Client must not place any advertising or other signs in PCEC (excluding within the tenanted venue space) without the prior written consent of PCEC.

Subject to PCEC approval, for any advertising or signs to be displayed or erected in the Venue or PCEC, the Client must:

- Install and remove all advertising or signs at its cost (during the tenancy if applicable).
- Make good any damage caused by such installation or removal.
- Ensure that all advertising and signs meet safety standards, regulations, and other specifications notified by PCEC to the Client.

PCEC reserves the right to display advertisements or announcements over the video monitor system in the Venue and, in the event of an emergency, to make announcements over the sound system.
