**Visiting an Exhibition at PCEC.**

**I am going to an exhibition at PCEC.  
There will be lots of people.**

**PCEC is a very big place. My ticket will say where I should go, but I can also look at these signs to see what level to go to.**

**There are stairs, escalators, and a lift to each floor.**

**I will wait for my turn to confirm my ticket at the door.**

**I should have my ticket on my phone or print it off.**

**I should check my ticket details before I arrive.**

**There might be someone who needs to check my bag.  
They do this to keep everyone safe and happy in the exhibition.**

**I can buy food and drink from Liberty Cafe on Level 2 before I enter.**

**Sometimes they have food inside. It is best to go to the cafe if I can't find any.**

**I am allowed to walk around the exhibition space  
and look at the stalls.**

**If I need help, I can ask the information booths or the people at the door.**

**There might be loud music and speaking.**

**If there is too much noise or I get overwhelmed, I can go for a break outside, put on headphones, or play with a fidget toy.  
I have to make sure to keep my ticket with me.**

**I can also visit the Ngaangk Djet Sensory Room. The sensory room has beanbags, blankets, and dimmed lights.**

**I can go back to the exhibition when ready.**

**I have to make sure to keep my ticket with me.**

**Going to an exhibition at PCEC is fun!**
